

PLUMP

LY28-GU10B

LY28-GU10W

Color	Black / White
Material	Aluminium
Power	GU10 max 10W (not included)
IP rate	IP20
Sizes	$\text{Ø}75 \times \text{H}90\text{mm}$ (without light source)

INSTRUCTIONS MANUAL

Thank you for selecting our product. To ensure safe and proper use, please carefully read the installation instructions before proceeding.

For installation, repair, or testing, we strongly recommend engaging a licensed professional electrician. Adhering to the provided guidelines is essential to prevent risks such as electrical shock, fire hazards, or accidental damage.

Important safety considerations:

- Do not install the lamp on ceilings that are weak or unstable.
- Avoid installation in areas with high heat, such as above stoves, near gas vents, exhaust outlets, or in spaces prone to moisture.

Your safety is our priority. Please follow the instructions diligently for optimal performance and peace of mind.

1 Fix the support plate

2 Connect to power

3 Fix the body to the support plate

4 Insert the lightbulb
