INSTRUCTIONS MANUAL

Thank you for selecting our product. To ensure safe and proper use, please carefully read the installation instructions before proceeding.

For installation, repair, or testing, we strongly recommend engaging a licensed professional electrician. Adhering to the provided guidelines is essential to prevent risks such as electrical shock, fire hazards, or accidental damage.

Important safety considerations:

- Do not install the lamp on ceilings that are weak or unstable.
- Avoid installation in areas with high heat, such as above stoves, near gas vents, exhaust outlets, or in spaces prone to moisture.

Your safety is our priority. Please follow the instructions diligently for optimal performance and peace of mind.
